LPGA – USGA Girls Golf was formed to create a network for girls to learn to play golf, build friendships and sample competition in a positive and supportive learning environment. The only national initiative of its kind just for girls, the program provides the opportunity to achieve success, progress in golf and establish a life-long interest in the game.

Girls work with an LPGA or PGA instructor to learn the basics in rules, etiquette, full swing, short game and putting. The program:

- Helps junior girls develop self-esteem.
- Provides opportunities and grants responsibilities to girls.
- Provides an incentive to continue to progress and improve in the game.
- Creates a network in which girls feel comfortable in the golf environment.
- Because it is fun, girls learn to appreciate and love a game they can enjoy throughout their lives.

2012 Session Dates
